Dear colleagues,

We have been asked to support you in financing your journey to Dornach!

It is difficult to estimate travel costs from different parts of the world. Prices have been quite high recently, so we recommend searching for the best connections, for example, through Google Flights.

There are several possible routes to reach Basel:

- **Frankfurt:** Lufthansa offers flights to Frankfurt. When booking, you can purchase a combined flight and discounted train ticket to Basel.
- **Zurich:** Iberia, Air Europa, Air France and other airlines offer flights (with stopovers) to Zurich. The train ticket to Basel must be purchased separately.
- **Basel:** Lufthansa, KLM, EasyJet, Iberia and other airlines offer flights directly to Basel.

We encourage you to explore the different options carefully in order to find the best combination of price and travel time. There are often significant price differences between direct flights and flights with one or more stopovers.

We appreciate your efforts and your understanding that the funds available to cover travel expenses are limited and must be shared among all applicants.

Please do not hesitate to contact me if you have any questions.
Warm regards,
Dorothee

Directions to Dornach from Basel Airport and Basel's Main Train Station
At Basel Airport, you will find a bus stop just outside the terminal. There is only one green bus, which departs every ten minutes and takes you to Basel's main train station (Basel SBB). Once at the main train station, take the escalators and follow the walkway to platform 16. Most trains to Dornach depart from there, but please check the departure boards to make sure!
Take the S3 train towards “Laufen”**.** The journey takes only 10 minutes.

Tickets
At the airport, purchase a 4-zone ticket**.** You can buy one either at the information desk or from the ticket machine located next to the bus stop.
